WHY IS AUGUST SO SPECIAL??

August is known for the dog days of summer. It is officially the last month of summer and is known for various holidays and celebrations. Did you know that it is named after Augustus Caesar, the first emperor of the Roman Empire? It is said that Augustus experienced many victories during the month, and decided to name the month after himself in the

year 8 BC. Also on August 6th, 1762, the first ever sandwich was created. It was named after the Earl of Sandwich after he requested a dish involving meat between two pieces of bread. In Sweden, August is the most popular boys’ name. August is also “harvest month” in many cultures. It was also the start of the gold rush in Alaska. There have been several natural disasters that have taken place in August from droughts and tornadoes to flash flods and forest fires. We are presently seeing these disasters all over the country as witnessed on the news and social media. Celebrations are abound both nationally and locally. County fairs and block parties give way to “National Smile” week August 5th thru the 11th.:)

THIS MONTH IN HISTORY

August has been the stage for many significant historical events, including the invention of oxygen, and the introduction of electric traffic lights, as well as pivotal moments in WWI and II. It also marks the beginning of the Civil Rights Movement and events like Martin Luther King Jr’s “I Have a Dream” speech. Aug. 3, 1492 Christopher Columbus set sail for the Americas. August 13, 1961 The Berlin Wall was constructed dividing East and West Berlin. August 22, 1962 Nelson Mandela was imprisoned, and August 24, AD 79, Mount Vesuvius erupted destroying Pompeii.
