

UPCOMING COMMUNITY EVENTS

THIS & THAT

What is Buttons & Batter?

Buttons & Batter is a delightful gathering that brings together the best of both worlds — bakers and crafters! Whether you love the smell of fresh-baked cookies or the joy of handmade creations, this event is all about celebrating creativity, community, and a shared love for making things by hand.

What is Snap & Stack?

Looking for a fun, hands-on way to hang out? Snap & Stack is the perfect opportunity for the guys to get together, build something cool, and enjoy great company. Whether it’s models, kits, or creative projects, we’ll be snapping pieces together and stacking up some good times.

Kick back with a chilled root beer and let the building (and bonding) begin!

BEN’S WORKSHOP

NOVEMBER 17TH @ 1:30PM

Get ready to lather up some creativity! Our Soap Making Event was a bubbly blend of fun, fragrance, and hands-on crafting. Participants explored the art of soap making, choosing from a variety of vibrant colors, delightful scents, and natural ingredients to create their own custom bars.

Reminder

Don't forget to set your clocks back one hour this weekend!

Daylight Saving Time ends on Sunday, November 3rd at 2:00 AM.

Enjoy that extra hour of sleep — and take a moment to check your smoke detectors and other safety devices while you're at it. Stay safe and cozy this fall!

In 1918, as the United States continued their involvement in World War I, the purpose of daylight saving time was to conserve fuel by reducing the need the use artificial lighting.

Daylight saving time was not observed nationally again until World War II. But it was repealed three weeks after the WW II ended. Time Magazine called the affair to a "chaos of clocks."

Why did the turkey join a  
band?

Because it had the  
drumsticks!
