HAPPY AUTUMN EVERYONE!

By all these lovely tokens, October days are here, with Summer’s best of weather, and Autumn’s best of cheer!

As the calendar turns to October, we are reminded of days past, when a lot of us lived in a place where the temperatures definite got cooler and the leaves changed colors during this month.

We tend to remember when the colors of the trees and leaves turned a pallet of red, orange and yellow, witnessing the wonder of nature.

Here in Florida, the fall season is a fantastic time to get outside and attend a multitude of events and activities while experiencing the most comfortable temperatures. As the weather turns cooler, we hope you all take the opportunity to be outside more, go for walks, and enjoy the clean fresh air and the warmth of the sun on your face.

Happy October!
